

# CONTAINER REUSE

## SIMPLIFY YOUR CONTAINER LOGISTICS

*Feeling like transport of empty containers can be a waste of time?*

*This is why the CMA CGM Group, in partnership with CONTAINER REUSE platforms, offers a solution to end redundant empty moves by linking import flows with export needs.*

### YOUR BENEFITS

#### BE MORE EFFICIENT

By-pass needless pick-ups and drop-offs at the port terminal for truckers, importers and exporters\*

#### OPTIMISE COSTS

Reduce costs to only what is necessary by avoiding redundant empty moves

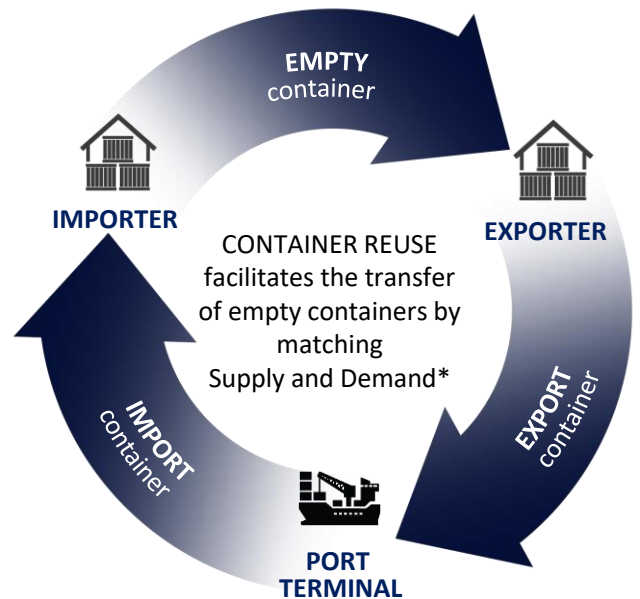

#### LOWER CARBON FOOTPRINT

Fewer truck trips and shorter distances

*\*If you are both an importer and exporter, you can choose to reuse your import container for exports via the platform*

### HOW DOES IT WORK?

**Enjoy Container Reuse in Thailand via**

Serve two shipments with 1 single truck trip:

- Avoid traffic congestions and constraints brought by depot opening hours
- Save depot gate charges for empty container pick-up and return
- Save lift-on and lift-off handling charges at depot
- Save transportation expenses for pick-up and return of empty container

#### GET STARTED

Begin your container reuse journey today!

Click [here](#) to register for free, and begin to send in your container reuse requests directly without having to liaise with our logistics team.
